*The Virtual
Race Night Experience*

SIMON HOWARD
INTRODUCING

Horses For Courses

"An evening of horsing around"

"Place your bets" and get ready for a fast-paced evening of 'live streamed' horse-racing action!

How it works:

Delegates are welcomed to your own private race meeting and introduced to the format of the day's racing. Bookies and 'industry experts' will give a mixture of insightful and amusing tips, and information to punters for each race.

Delegates can bet individually or get together in 'betting syndicates' (teams) and bet on their favourite horses for each virtual race. Each syndicate can have their own private VIP box where they can discuss race strategies, place their bets and share laughs together.

Once betting closes all delegates return to the main race concourse. Delegates are given an overview of the race ahead and details from the bookies about who's the crowds favourites.

Then it's race time! *"They're under starters orders.... and they're off!!"*

With their virtual bets in place, delegates watch the races live-streamed into their homes and of course cheer on their horses as the action and energy builds!

After each race the bookie 'pays out' the winnings to any relevant parties, and the overall leader board is updated for all to see.

Teams may be given the opportunity to get extra funds in their betting kitty between races by completing mini quiz rounds and interactive challenges.

The individual or syndicate at the end of the race meeting with the most fun-money will be crowned "Horses for Courses Champions"!

Horses For Courses

"An evening of horsing around"

What's included

Professional Event Host and Compere Simon Howard will introduce the event, keeping delegates informed, engaged and entertained through the race meet, and try to keep those bookies under control!

Virtual Bookie: Our bookies will take everyone's bets and update race wins, losses and team rankings all behind the scenes for seamless betting action.

Between four and seven 'live streamed' exciting races (depending on length and type of event required)

Private syndicate meeting rooms for each team (if required).

Full event production and delivery using the Zoom virtual meeting platform.

Live technical support.

We Recommend:

Delegates must download the free Zoom app in advance of the event, and for best user experience we recommend users take part using a laptop or PC with a good internet connection rather than a tablet or phone. Race Day dress code is optional, but why not wear your best floral dress, big hat and fancy heels? (The ladies can dress up as well!)

Optional Extras:

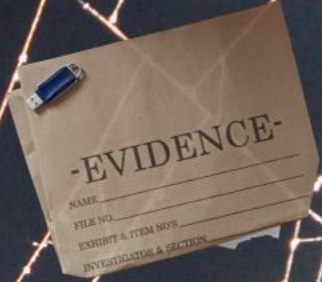

Prizes for individuals or winning syndicates can be arranged on request. Branding and sponsorship customisation options.

Duration: 1-1.5 hours
